How to make your own Paperchain People

You'll need:

- 2 sheets of A4 paper
- A pair of scissors
- Some glue
- Pens, pencils, crayons
- Paint, glitter, foil, stickers - anything you like to decorate!

To make, watch our video tutorial and follow the instuctions below:

1. Fold along the grey dotted lines on the Paperchain People template so that your sheet of paper is folded into three with the **Top page** facing you.

2. Cut along the black outline marked by the ✂ but **do not** cut along the folded line.

3. Then, unfold your sheet of paper and you will find you have a chain of three paper people.

4. Decorate them as festive as you fancy with a welcome message.

5. Put up your Paperchain People in your window and share a pic on social media tagging **@actionfdn** along with the hashtags **#PaperchainPeople #GiftOfWords #RefugeesWelcome**
